Roommate Matching Assistance

The Colorado Suzuki Institute provides a roommate matching as a courtesy to its participants. We will try to accommodate your request, but we cannot guarantee you a roommate. The CSI is not responsible for any alterations in plans or cancellations by roommates, and the CSI will not pay the difference in your fees if your roommate does not show up. Please fill out the form below, giving as much information as possible. As soon as we have a possible match for you, we will notify both parties by mail and give you each others' names, addresses, and phone numbers. It will then be up to you to make contact with each other and make your lodging reservations by calling the Beaver Creek lodging numbers listed in the brochure on page 14 or on the CSI web site. When you have successfully made arrangements, please drop CSI an email so that we can remove you from the match list.

Roommate Matching Assistance
